

Automotive sensor solutions

Create a new automotive experience of comfort, safety and intelligence

Comfort Sensing

Air Quality Sensor (AQS)

Automotive CO₂ Sensor

Rain and Light Sensor

Light Sensor

AC Temperature Sensor

All-in-One Air Quality Sensor

Water Ion Generator

Negative/Plasma Generator

PM2.5 Laser Dust Sensor

Active Safety Sensing

R290 Module

Nitrogen detection module

Breath Alcohol Sensor

Vehicle-Mounted Life Presence Sensor

Natural Gas Concentration Sensor

Hydrogen Concentration Sensor

Solid-State Battery Safety Detection Sensor

In-line Conductivity Analyzer

Passive Safety Sensing

Acceleration Sensor

Inertial Sensor

Angular Velocity Sensor

Displacement Sensor

Seat Belt Tension Sensor

Wind speed sensor
